SAFETY AND GENERAL INFORMATION

For your safety, ***read, understand, and follow*** the information provided with and on this folding creeper. The owner and operator shall have an understanding of this product and safe operating procedures before attempting to use. The owner and operator shall be aware that use of this product may require special skills and knowledge. Instructions and safety information shall be conveyed in the operator's native language before use of this product is authorized. Make certain that the operator thoroughly understands the inherent dangers associated with the use and misuse of the product. If any doubt exists as to the safe and proper use of this product, remove from service immediately.

Inspect before each use. Do not use if there are broken, bent, cracked or damaged parts (including labels). Any creeper that appears damaged in any way, or operates abnormally shall be removed from service immediately. If the creeper has been subjected to a shock load (a load dropped suddenly, unexpectedly upon it), immediately discontinue use until it has been inspected by an Omega authorized service center. It is recommended that an annual inspection be done by qualified personnel. Labels and Operator's Manuals are available from manufacturer.
