PRODUCT DESCRIPTION

The Road Xpedition Spotlight is designed and engineered for intermittent use only. Although the housing is moisture resistant, it is not waterproof and prolonged use in the rain or snow should be avoided. The light is especially useful during power outages and night-time activities such as boating and fishing. **NOTE:** Use of spotlights to observe wildlife is illegal in some States. Consult and obey State regulations regarding use of this device to observe wildlife.

How to use

Refer to fig. 1 for components location:

1. Depress trigger to turn spotlight "ON" and release trigger to turn spotlight "OFF".
2. To lock switch on momentarily, press trigger on and move locking bar into position.
3. To release lock on switch, press locking bar into unlock position. **NEVER** leave light energized for more than 1 minute continuously. Let cool for 1 minute before turning back on.

Replacement Parts
